Restorative Treatment for Rehabilitation Therapy (Physical, Occupational and Speech)	\$45.00 per 15 minutes unit of service <b>plus</b> 6.8% NYS Assessment Tax

Oxygen Therapy	Cost (*) for oxygen plus 15% handling charge <b>plus</b> 6.8% NYS Assessment Tax

Medicare requires nursing homes to issue an itemized monthly statement for the services listed above. If a resident covered by Medicare Part A during the first 100 days of stay, the only charges will be for the co-pay amounts. However, once Part A coverage has ended, residents are billed the private pay daily room rate, plus any charges for pharmacy and oxygen. Private pay residents who do not have Medicare Part B coverage will be responsible for restorative therapy treatments, if applicable.

We realize that you may have questions, and we would be happy to meet with you to discuss these rates. Carly Saunders will be available for appointments at your convenience. You may call her at 873-1507 extension 4.

Sincerely,

Shari Hutchison
