Construction Site Notes:

-Contacted John Mackinster, Bomack Construction, to find out what the status of this project is and make him aware of the need for an inspector. He said that Fagan's is conducting the inspections and will be doing the weekly once they get started. He plans to install the base road up to the first house that is already built. Then he will quite for the winter.

-Weekly inspections will need to be completed when work on site begins.
