Additional Information Collected During Inspection

Comments

Reinspection conducted due to 3+ critical violations during previous inspection and/or stipulation. All items from previous inspection have been corrected. Facility has accurate probe thermometer (is digital) and in location where available to be used. Sausage gravy and pancake batter, both under waiver to use time as public health control, were properly marked with discard time. Adequate cooling methods observed in walk-in refrigerator. Several items being cooled in walk-in refrig. were uncovered and in shallow depths. Discussed recommendations for cooling with Scott (cook).
