Each item found in violation is reported below along with the code requirement.

NO VIOLATIONS WERE OBSERVED.

Code Requirements

Inspector Findings

Additional Information Collected During Inspection

Comments

Discussed ill worker policy. Bathrooms have hand-washing supplies such as soap and paper towels, with adequate warm water. Discussed keeping beer a minimum of 6 inches off floor. Observed cloth underneath slotted shelf on top of ice machine. Slotted shelf holds ice scoop. Ice scoop is not in contact with cloth due to separation by slotted shelf, therefore is acceptable for storage of ice scoop.
