All or parts of the violation item are IN violation.

Code Requirements

Insects, rodents present

Inspector Findings

Observed several traps (bait boxes and sticky traps) throughout kitchen area that contained rodent and insects (some were still alive on sticky traps). No observed contamination of food or in food prep and storage areas. Reviewed most recent pest control report from August 30, 2017. Per operator, certified pest control operator was contracted to be coming bi-weekly. Per operator, phone conversation with pest control provider indicated applicator/technician was no longer with the company and no new operator had been to facility. Pest control company to send operator into facility to restart treatment on October 6, 2017, per facility operator, who was also advised to email report from pest control treatment on October 6, 2017.
