Comments

Violation #2E corrected--probe thermometer was obtained, stored in kitchen for use. Pesticides were removed, as was bin containing water under sink in rear storage room. Sink is no longer used and will be removed or replaced or otherwise corrected prior to or during renovation. Demonstrated calibration of probe thermometers. Recommended obtaining digital thermometers. Spoke to owner regarding tentative plans for renovations throughout entire store. Advised owner to provide copy of plans to be reviewed prior to construction. Unknown whether facility will close during renovation or if work will be completed at night, with protection provided to food and food contact surfaces.
