NO VIOLATIONS WERE OBSERVED.

### Code Requirements

### Inspector Findings

### Additional Information Collected During Inspection

### Comments

Emailed new food service operator packet documents to chef and general manager. Provided food safety summary sheets, 3 copies of 14-1 code booklets and discussed differences in hot and cold holding temperature requirements in NY and PA, where general manager and executive chef have experience. Discussed waivers to use time as a public health control for hot and cold holding of various items. Copies of waivers will be sent to facility in near future. Offered to conduct food safety training in future. Discussed cooling recommendations, including use of shallow (less than 4 inch) pans, ice bath, cooling paddle and leaving food that is actively cooling uncovered. Discussed future plans for renovation of kitchen and advised working with CCHD from the beginning to ensure code requirements can be met. No violations were observed during pre-operational inspection. Sanitarian will conduct catering interview with chef in near future.
