Additional Information Collected During Inspection

Comments

Emailed new food service operator packet documents to chef and general manager. Provided food safety summary sheets, 3 copies of 14-1 code booklets and discussed differences in hot and cold holding temperature requirements in NY and PA, where general manager and executive chef have experience. Discussed waivers to use time as a public health control for hot and cold holding of various items. Copies of waivers will be sent to facility in near future. Offered to conduct food safety training in future. No violations observed during pre-op inspection.
