Comments

No violations observed during pre-operational inspection. Provided food safety summary sheet to manager and discussed prevention of barehand contact with ready to eat foods and not working in concession while ill with fever, vomiting, diarrhea, yellowing of skin or eyes, or infected cuts. Observed digital probe thermometer and verified operation. Facility has bleach and quaternary ammonia (tablets) for sanitizing wares, but lacks test strips for quat. Advised obtaining strips or utilize bleach exclusively for sanitizing.
