Comments

No violations observed during inspection. Discussed wearing gloves when handling ready to eat food items. Recommended that students removed time and temperature control for safety (TCS/PHF) food such as milk and raw shell eggs from refrigeration when they are ready to use (not ahead of time). Discussed tcs nature of milk and raw shell eggs with students and requirement for probe thermometers to be calibrated when working with tcs items. Observed thawing of small chicken under cold running water.
