Additional Information Collected During Inspection

Comments

Reinspection conducted to follow up on cold holding, hot holding and cold holding waiver issues observed during previous inspection. No issues observed during time of reinspection. Observed glass bowls of cut honey dew melon, cut cantaloupe, and assorted yogurts stored in ice on service line with temperatures of 41F or less. Observed hot holding self serve kettles, one containing oatmeal and one containing grits, with temperatures of 153F for the oatmeal and 143F for the grits. Observed sticker on dispensing unit for waffle batter with make and discard times clearly labelled as agreed upon in facility's cold holding waiver. Discussed discarding batter prior to or at the end of the 4 hour waiver period. Discussed placing new sticker on dispensing unit if a new batch of batter is prepared. No other items evaluated during time of inspection.
