Additional Information Collected During Inspection

Comments

Operator to obtain C of O prior to issuance of permit. Obtained application, fee and CE200 during visit. Observed stainless steel shelving, crock pots and roasters, autofryer equipment and home style refrigerator. Discussed with operator that mop sink to be installed during remodel- a mop hose is currently installed in 2nd restroom and mop waste water is being dumped in toilet. Second restroom is not open to public and employees are using only 1st restroom.
