Comments

Field visit conducted after receiving information from operator that facility's toilet rooms are under construction. During visit, inspector observed a portable toilet trailer in facility's parking lot. Trailer contained a women's and men's toilet room. Both toilet rooms provide hand washing stations with hot running water, soap, paper towels, and a garbage receptacle. Observed facility's toilet rooms under construction. Observed hot and cold running water at hand washing sink and three bay sink in kitchen area. Discussed proper hand washing. Facility has built temporary wall and used plastic on the entrance to the kitchen from the area of the toilet rooms in order to prevent dust and debris from entering the kitchen. Operator stated toilet rooms should be finished in 3 weeks. Operator will contact CCHD if more time is needed of issues arise. Per operator, facility to be further remodeled in the spring of 2017. No other items evaluated during time of field visit.
