Comments

No violations observed during time of preoperational inspection. Observed all cold holding units functioning properly and hanging thermometers for refrigeration units meant to hold time/temperature control for safety (TCS) food. Discussed ill food worker policy, proper hand washing and proper glove use. Observed test strips used for evaluating levels of chlorine in bleach based solutions for sanitizing dishes and for wiping cloth buckets. Discussed storing wiping cloths in wiping cloth bucket with adequate levels of sanitizer (100ppm-200ppm for bleach based). Observed hand washing stations properly stocked with hand soap and paper towels. Observed all plumbing installed with air gaps in appropriate locations.
