Inspector Findings

Additional Information Collected During Inspection

Comments

Inspector posted placard on front door - facility not permitted to serve food until permit is issued. Spoke to manager, Scott, explained that if the disability paperwork is provided to us by 2 pm today we can issue permit and remove placard today. Placard can only be removed by this office. Advised him to keep us posted as to when the disability paperwork is available (it can be faxed or emailed to our office).
