Additional Information Collected During Inspection

Comments

A timetable for correction for violations 11D and 15A of ten days (by 3/3/2017) was established during inspection. Per owner and manager, facility does not typically prepare potentially hazardous pizzas (white garlic, meatsauce, mushrooms, or other meat or vegetables) for holding, but would like to retain waiver to use time as a public health control for these pizzas for planned future use. No potentially hazardous pizzas observed during inspection. Demonstrated calibration of analog probe thermometers during inspection. Facility has ice on hand for calibrating. Facility also has digital probe thermometer. Offered no fee food worker training to owner and manager.
