Comments

Made a field visit to facility due to previous violations noted on inspection report of 8-15-17. Regarding Blue Item 12 C, Operator stated that her plumber needs to replace sections of wastewater pipe in basement which were different sizes. Plumber has made temporary repairs to pipe but will be back to install new pipe in near future. Will extend the TTOC date until Sept. 15, 2017 to make repairs to drain line in basement. Will conduct a re-inspection on or after this date to determine compliance.
