Comments

Pre-operational inspection conducted to evaluate kitchen facilities. Facility has current permit for bar and limited food service, to add kitchen to permit. No violations observed during pre-op inspection. Operator desires to obtain catering permit add-on, will come to CCHD to pay fee and complete catering checklist at later date. New permit to be issued for removal of restriction for pre-packaged foods and hot dogs. Provided food safety summary sheet. Discussed cooking temperatures, option of undercooking beef (ground or whole) or eggs at consumer request. Facility planning to serve potato salad, which would be cooked and cooled on-site, macaroni and cheese, which may also be cooled, per menu review. Facility to be changed to high-risk due to cooling.
