Inspector Findings

Additional Information Collected During Inspection

Comments

No violations observed during time of inspection. Discussed preparing foods containing time/temperature control for safety (TCS/PHF) food items using pre-chilled ingredients and cooling foods to 45F or less in walk-in cooler or in bottom section of make unit prior to storing in top section of make unit. Discussed working with TCS/PHF items in small quantities in 15-20 minutes periods to help keep food items at 45F or less. Observed several cooked meats, including steak and ribs, at or above required cooking temperatures. Observed several working thermocouples throughout kitchen area, specifically near food prep areas. Observed employees using gloves to handle ready to eat foods and observed proper hand washing when changing gloves or working with raw animal products. Observed appropriate levels of chlorine (100ppm) sanitizer, using facility's test strips, in sanitizing bay of 3 bay sink at bar area.
