Additional Information Collected During Inspection

Comments: Conducted a pre-operational inspection of facility which is scheduled to open on November 2, 2018. Operator had previously submitted food service application, Worker's Compensation & Disability Insurance forms along with applicable fee to HD. Certificate of Occupancy was previously issued by City of Elmira Code Enforcement Officer on 4-25-18. Reviewed food handler's quiz with Operator during pre-operational inspection. All refrigerated equipment which will be used to store cold potentially hazardous (TCS) foods are equipped with monitoring thermometers. Quaternary ammonia sanitizer test kit is available along with numerical thermometers for evaluating cooked potentially hazardous (TCS) foods. Will conduct an operational inspection of facility in future.
