Comments

Inspection conducted at Corning facility located in town of Big Flats. No violations observed during time of inspection. Employee stated that all time/temperature control for safety (TCS/PHF) food items, including wraps and salads containing meats, cheese, and or cut tomatoes, are discarded at the end of the lunch period as well. CCHD to update facility's cold holding waiver to include all TCS/PHF items. Facility manager discussed possibility of adding a breakfast period to the facility and expanding use of the kitchen. Facility to contact CCHD with any changes made in order to update waiver for a breakfast period and if facility is going to expand on the use of the kitchen.
