Comments

Preoperational inspection conducted at operation's commissary located at Park Church. No violations and no food preparation observed during time of preoperational inspection. Discussed operator's method for washing, rinsing, and sanitizing utensils and equipment by means of the three bay sink. Operator uses a mixture of bleach and water to sanitize items and evaluates levels of chlorine for sanitizing using appropriate test strips. Discussed proper glove use and hand washing. Discussed approved cooling schedule and proper reheating of items that may be cooked, cooled, and reheated during catered events. Discussed methods for transporting time/temperature control for safety (TCS) food items between operation's commissary and catering locations to prevent temperature abuse.
