Code Requirements

Inspector Findings

Additional Information Collected During Inspection

Comments

No violations observed during time of inspection. Discussed placing waffle batter on cold holding waiver during breakfast period unless batter is proven to be a non-time/temperature control for safety (TCS). Observed accurate probe thermometer, hanging thermometers in cold holding units containing TCS items, and properly functioning thermometers commercially installed into cold holding units. Observed properly functioning hot holding unit with TCS sausages and breakfast burritos held above 140F. Observed proper glove use and hand washing between glove changes.
