Additional Information Collected During Inspection

Comments

No violations observed during time of inspection. Observed several accurate probe thermometers. Observed time/temperature control for safety (TCS) food items including chicken salad, sliced tomatoes, sliced cheese, and sliced deli ham at temperatures no more than 45F in the top section of the sandwich make unit. Observed hotdogs, meat sauce, and assorted soups at temperatures of 140F or more in hot holding well units. Observed bin of bleach-based sanitizing solution with appropriate levels of chlorine (200ppm). Discussed preparing TCS food items such as egg salad and chicken salad with pre-chilled ingredients and to work in small, manageable quantities and in 15-20 minute periods. Discussed that hand sanitizer is not an approved substitute for proper hand washing.
