## Additional Information Collected During Inspection

**Comments:** Conducted a pre-operational inspection of facility on August 27, 2018. Reviewed food handler's guide information with Manager during pre-operational inspection. Equipment is installed and operational, wall behind glass doored cooler unit is acceptable for use. Refrigerated equipment used to store cold potentially hazardous (TCS) foods is equipped with numerical thermometers. Quaternary ammonia test kit available for dish ware washing and wiping cloth solution. Numerical thermometer available for evaluating cooked potentially hazardous (TCS) foods. Manager had previously submitted food service application, fee, Worker's Comp. and Disability Insurance information to HD. Certificate of Occupancy was previously issued by City of Elmira Code Enforcement. Will conduct a routine operational inspection in near future, facility is approved to operate.
