Additional Information Collected During Inspection

Comments: No violations observed. Observed milk containers at 41F, which are stored in coolers in walk-in refrigerator. All milk containers were completely covered in ice at time of inspection. Orange juices stored in large grey plastic bus pan covered in ice had a temperature of 35F. Chicken salad stored in 8inx5inx3in pan had a temperature of 42F throughout. Facility wraps bread for sandwiches in foil prior to service, while wearing gloves. Wrapped bread is then served with chicken salad, allowing children to handle their own food. No other potentially hazardous time/temperature controlled for safety foods available to evaluate.
