Additional Information Collected During Inspection

Comments

Discussed routine hand washing with employees during inspection. Quaternary ammonia sanitizer and test kit available, digital thermometer available for evaluating cooked potentially hazardous (TCS) foods. Refrigerated equipment which is used to store cold potentially hazardous foods were equipped with monitoring thermometers, cold PHF's were maintained at less than 45 dF. Per Manager, facility is now doing brunch on weekends. Would like to schedule a HACCP training exercise in future with kitchen staff since cooking, cooling and reheating are being conducted at facility. Manager will have Operator contact HD to schedule a training exercise in near future.
