Additional Information Collected During Inspection

Comments: No violations observed. Discussed when storing bottle and canned beverage they are to be at least 6 inches above floor. Recommended using pallet to store beverage containers. Per owner, floor near walk-in cooler will be replaced spring time. Observed quaternary ammonia tablets and test strips located at bar. Both men's and women's bathroom stocked with hand-washing supplies such as warm water, soap, and paper towels. Owner discussed building patio in back area in future. Recommended owner to contact CCHD in order to locate septic system before building patio.
