Comments

No violations observed during inspection. Facility has operational digital thermometer. Observed facility following hot holding waiver. Discussed storing made to order egg rolls in hot holding unit, then being discarded at appropriate discard time per hot holding waiver requirements. Observed food worker piecing chicken at a temperature of 41F. Per operator, chicken is cut cold in small manageable quantities, for no longer than 10 minutes. Lo-mein in walk-in cooler was observed at a temperature of 48F-51F at 2:15pm and under active cooling. Per cook, lo-mein was cooked at 11:30am, tossed with ice, then placed directly into walk-in cooler in shallow pans less than 4 inches, uncovered. Observed worker washing hands after using gloves, and replacing paper towels in dispenser immediately after last towel was used.
