---

## Additional Information Collected During Inspection

**Comments:** Conducted a pre-operational inspection of facility. Sections of unsealed wood behind bar were painted, small gap between tile floor and wood floor at mop sink closet was being chalked by contractor during pre-operational inspection. Ice bin sink with in-direct drain to be reinstalled at bar, was removed for painting. Operator previously submitted food service application, fee, Worker's Compensation & Disability Insurance information to Health Department. Facility has been issued Certificate of Occupancy by City of Elmira Code Enforcement, issued August 31, 2018. Kitchen equipment operational, food handler's quiz was reviewed with operator on 9-11-18. Monitoring thermometers available in all refrigerated equipment used to store cold potentially hazardous (TCS) food. Long-stem numerical and digital thermometers available for evaluating cooked potentially hazardous (TCS). Sanitizer test kit (Chlorine) available for evaluating dish machine and wiping cloth solution. Facility is approved for operating, food service permit to be issued by HD. Will conduct an operational inspection of facility in future.
