Additional Information Collected During Inspection

Comments: No violations observed during pre-operational inspection. Facility has installed new floor in bar area and construction dust has been cleaned off surfaces throughout kitchen area. Refrigeration turned on today- small countertop refrigerator in kitchen reading 47F- advised manager to verify refrigerator running at 45F or less prior to placing time and temperature control for safety/potentially hazardous food (TCS/PHF) in unit. Manager had fixed cove molding under counter in kitchen area. Ice machine in bar area was being fixed during visit- discussed sanitizing out inside of ice machine prior to turning on. Facility plans to open to public on 9/21/18
