Comments

Conducted a field visit to facility due to Red Item Violation # 5 E which was noted on operational inspection on May 23, 2018. Checked interior temperature of sandwich unit across from kitchen grill equipment which is used to store potentially hazardous foods. Interior temperature of unit was 41 dF using thermocouple, checked interior temperatures of cold potentially hazardous foods inside sandwich unit- 41 dF checked using thermocouple. Monitoring thermometer was available inside of sandwich unit to check interior temperature. Corrected. Regarding remaining violations noted on inspection report of 5-23-18, a TTOC date of June 15, 2018 was previously established. A re-inspection will be conducted after this date, pending possible kitchen re-model date, to determine compliance.
