Additional Information Collected During Inspection

Comments

Conducted operational inspection during after-school program at facility. No violations noted during inspection. Operator provided digital thermometer and sanitizer test kit (chlorine) during inspection. Monitoring thermometers are available inside refrigerator and freezers which are used to store cold potentially hazardous (TCS) foods. Discussed proper use of plastic gloves and utensils with Operator, no bare-hand contact with ready-to-eat foods. Per Operator, proposed coffee bar area to be located at main entrance doors on Church St is scheduled to be in operation in near future. Operator will notify HD for an inspection of sinks and refrigerated storage equipment prior to opening, Operator to also contact City of Elmira Code Enforcement Office for an inspection prior to opening.
