*All or parts of the item are violations.*

**Code Requirements:** Floors, walls, ceilings, not smooth, properly constructed, in disrepair, dirty surfaces

**Inspector Findings:** Section of floor behind bar near ice machine not smooth, easily cleanable.

---

### Additional Information Collected During Inspection

**Comments:** Conducted a pre-operational inspection due to a reported sewer line break which occurred on July 20, 2018 and was reported by facility. Section of floor near ice machine had to be torn-up in order to make repairs, has been repaired but concrete patch needs to cure. A Time Table of Compliance Date of August 15, 2018 has been established to replace section of floor tiles over concrete patch behind bar area. A re-inspection will be conducted after this date to determine compliance. Permission was given to reopen facility, kitchen was not impacted.
