Inspector Findings

Observed large hole in ceiling where pipe broken in kitchen prep room. Facility was in process of temporary fix (plastic cover) and once plumbing has been fully repaired, a permanent fix will be completed. Facility to contact CCHD when ceiling repaired.

Additional Information Collected During Inspection

Comments

Item 12A from previous visit corrected: Facility was able to get water (Hot and Cold) turned back on at the bar and kitchen. Facility is able to serve food and beverage. Facility stated a shut off valve after the kitchen was discovered. Facility was able to turn off water after that point to prevent water from leaking but allow for water to be on and maintained in food prep areas (kitchen and bar).
